# DONATION/SPONSORSHIP REQUEST APPLICATION

JT International believes in giving back to the communities that support our products, on both a local and national level, by participating in events or partnering with groups that are important to the equine community as a whole. For this reason, JT International does not sponsor those representing religious groups or political affiliates.

**We ask that organizations and individuals requesting support do so in writing and allow a minimum of one month to consider all requests.**

**Preference is given to groups and organizations that:**

- Are non-profit and can demonstrate community support and involvement.
- Can demonstrate how the donation is to be used and the expected outcome of the event.
- Commit to acknowledging JT International's contribution through the placement of promotional banners, brochures, or the Tough 1° logo on promotional material, when appropriate.

**All applications should include the following:**

- A completed Donation/Sponsorship application.
- A brief cover letter on organizational letterhead, providing any relevant information not included in the Donation/Sponsorship application, as well as contact information should we require additional information.
- Verification of the organization's 501(c)(3) status, if applicable.
- Sponsorship level and ad specification materials, if applicable.

**OFFICE USE ONLY**

**Approved**

**Denied**

Comments:

Organization Name

Contact Name

Telephone Number

E-mail Address

Are you a 501(c)(3) non-profit group?  Yes  No

Address
